

Checklist ✓

- If you are not enrolled in Medicare or if you need a new card—talk to your health worker, visit a Medicare office or call the Aboriginal and Torres Strait Islander access line on ph: 1800 556 955
- If you don't have ID like a birth certificate—don't worry! We have a form that will make it easier for you
- Enrol your new baby in Medicare as soon as you can—this will mean your baby is on the Australian Childhood Immunisation Register
- If you want another copy of your Medicare card or if you want to add someone to your card—talk to your health worker or Medicare
- Make sure you have your Medicare card with you when you go to the health service, doctor, hospital or to get a script filled at the chemist
- Take your Medicare card with you if you are going to make a claim from Medicare
- Always have your Medicare card with you if you are travelling or moving
- Let us know if you have a new address so we can send you information or a new card if you need one
- If you get a new card make sure you let your health service or chemist know so they use the right number

If you want any help, talk to your health service, visit any Medicare office or call the Aboriginal and Torres Strait Islander access line on **1800 556 955**
